## A WORD FROM THE PRESIDENT

I can't believe summer is almost here! Your Melonie Park South board has been really busy making sure the pool is ready to open of May 23rd! We have also been seeing to repairs needed in and around the clubhouse. I am proud to say that we have a great staff this year headed up by Cheryl Lee! you will need to meet our new assistant manager, Kelly Jenkins. I am excited about her as well as our guard staff!

In addition to the pool and clubhouse, Bill Miller Park continues to be a great asset to our neighborhood, especially in the coming summer months. A "little bird" from downtown told me that we will be getting many new trees! Our walking track, playground areas and volleyball and basketball courts will continue to draw many folks from around town, as well as our neighbors. As you know, that can be both a blessing and a curse. Remember that we still need to be vigilant in watching out for suspicious activities in our park in an effort to keep it a safe place for our families, particularly our children. Please take advantage of the park, visiting frequently so that we neighbors have a presence there, and don't hesitate to call the police when you feel like something is going on that shouldn't be.

Have a great summer while enjoying our park, pool and clubhouse!

Laura

## *A happy Easter at MPS's Easter Egg Hunt.*

Saturday, April 4th, several MPS Families gathered for a wonderful Easter egg hunt at Miller Park. The weather was nice and cool providing great comfort for those running for eggs. The Easter Bunny was present and had time for all the kids to get a picture with him. 10 children from

professional egg hunters to first timers had a great time filling baskets and eating treasures.

We thank all of you that came out and enjoyed the morning with us and hope to see you and more next year.
