We are excited to kick off the summer of 2011 with our summer family! Another fun summer building memories is expected with our newly painted and refurbished pool. There are some new personnel additions to the Melonie Park family that should add to the fun. We hope that this summer will go down in the books as the best yet! ### **NEW CHAIRS/ CHAISES FOR POOL**

The pool will be adding additional chairs and chaises. The board felt the need to purchase extra to accommodate our patrons. Both of the bathrooms at the pool have had the floors resurfaced. And like Cheryl said the pool has a fresh coat of paint. There had to be some work done on the heater for the pool plus other maintenance. Our pool is over 35 years old and maintenance to keep it running properly is a big job. MPS would like to thank Mike Allison, board member, for his continued interest and help with our pool and grounds. He and Cheryl have worked very hard this year and in the last several years to keep our pool operating. We have a very wonderful asset here and we should all be very proud of our say we live in MPS.

### **SERVING ON THE MPS BOARD**

MPS is looking for interested residents to serve on the board. The term is for three years. We have quarterly board meeting at the MPS clubhouse. The board consists of six members that rotate off after their term is completed. This year we will need to fill two positions on the board. The ballots will be included in the July newsletter. So if you are interested in serving on your neighborhood board just email or call the office.
